1992 Convention

Envisioning New Horizons: Leadership for the Twenty-First Century

September 24-27, 1992

TRUMP CASTLE
ATLANTIC CITY

Co-sponsored by The Hispanic Bar Association of New Jersey

CELEBRATE TWO DECADES OF ACHIEVEMENT

The Hispanic National Bar Association (HNBA) proudly invites you to its 17th Annual National Convention to be held from September 24 through September 27, 1992 at the Trump Castle Hotel in Atlantic City, New Jersey.

More than a convention, this event will be the single most important event for the Hispanic National Bar Association in recent history as it celebrates its twentieth anniversary—two decades of growth, progress and unity.

The Convention will be the most significant Hispanic Bar event of a year that features the 500th anniversary of the discovery of the New World, Summer Olympics in Barcelona, and a presidential campaign. Both President Bush and Governor Clinton have been invited. The Governor of New Jersey, U.S. Senators, Congressional Representatives and prominent federal and state officials and judges have also been invited. Also, this year the HNBA has the privilege of having James G. Cullen, President and Chief Executive Officer of New Jersey Bell, as Honorary Chairman.

The 1992 Convention will have a unique international flavor and presence like no other convention in recent history. The Ambassadors of the Latin American countries and Spain have also been invited to celebrate the Twentieth Anniversary of the HNBA.

The event will also be a major social gathering with receptions, banquets, dance, music and activities on the famous Atlantic City Boardwalk. Among the exciting activities that will take place will be a performance by the internationally-acclaimed Spanish Theater Company, Repertorio Espanol; A Brazilian Carnival; a Mexican Fiesta; Caribbean Night featuring a popular Salsa band; a long-awaited program for spouses; and a variety of seminars of interest to non-attorneys. Of course, the vibrant night life of Atlantic City with its shows and other activities will serve as the perfect setting to celebrate twenty years of HNBA history.

For the first time in HNBA history, there will be a special general session in which Hispanic attorneys, judges, law professors and law students will gather in one room to discuss with national Hispanic leaders the role of Hispanic attorneys in the twenty-first century and adopt goals for the future of the HNBA.

Law students from all regions of the country will be attending the Convention sponsored by corporations, major law firms and law schools. There will also be a special program for 60 Hispanic high school students from low income areas in New Jersey so that they can participate and enjoy the feeling of a convention of role-model, minority professionals.

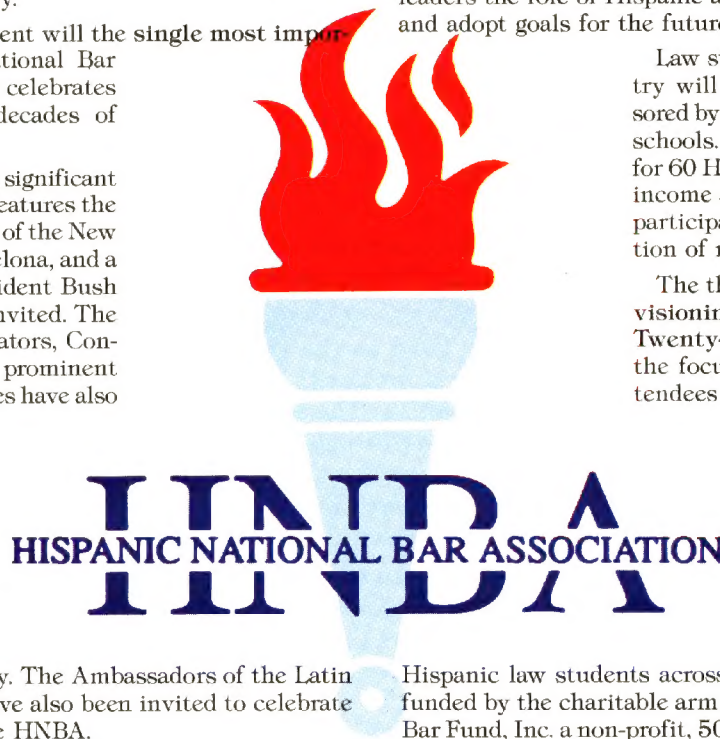

The theme of the 1992 Convention is "Envisioning New Horizons: Leadership for the Twenty-First Century". This theme reflects the focus of the 1992 Convention as its attendees will assess the role of the HNBA as a leader of the national Hispanic community in the twenty-first century.

The HNBA has been the principal organization behind the increased representation of Hispanics in all sectors of the legal profession by providing scholarships to needy

Hispanic law students across the nation. These scholarships are funded by the charitable arm of the HNBA, the Hispanic National Bar Fund, Inc. a non-profit, 501 (c) (3) corporation. Convention proceeds will fund these scholarships, educational programs for the Hispanic community and future conventions.

Don't miss this significant event! Be a part of it by completing the registration form in this booklet and sending it with your registration fee. Limited space has been reserved at the Trump Castle, so send your registration and make your reservations now. If you also wish to be a sponsor, make sure you see our various sponsorship options listed at the end of this brochure.

We look forward to seeing you in exciting Atlantic City to celebrate two decades of HNBA achievement!

WHO ARE WE?

The Hispanic National Bar Association (HNBA) is the incorporated, non-profit, national association of 20,000 Hispanic attorneys, judges, law professors, and law students committed to promoting the goals and objectives of the Association. The HNBA has been the principal force behind the increased representation of Hispanics in all sectors of the legal profession and has served as the legal voice for Hispanics for twenty years.

Founded in California in 1972 as the La Raza National Lawyers Association, membership was primarily drawn from the west and southwestern parts of the country. The early years focused on internal organization, legal education (through the Council on Legal Education Opportunity), judicial selection and civil rights issues. In 1980, its name was changed to the Hispanic National Bar Association to reflect the increasingly broad-based national membership.

Since 1975, the HNBA has been conducting national conventions with educational seminars and social functions that have attracted thousands of Hispanics and others in the legal profession, as well as prominent speakers and guests from all sectors of American social, political and economic life.

CONVENTION PROGRAM

Enhance your practice skills by attending the HNBA's continuing legal education seminars to be offered at the convention. The HNBA has pending applications with the states of Arizona, California, Colorado, Florida, Indiana, New Mexico, Pennsylvania, Texas and Virginia for CLE accreditation. The seminars are taught by top-rated, prominent faculty, private and government practitioners. This year, there are seminars of interest to non-attorneys as well, such as "Free Trade Agreements with Latin America", "Public Funding of Education", "Bias-Related Violence" and other seminars.

Take a break from seminars and join us at the special reception and luncheons that we have planned for you. Make new friends and enjoy the company of old ones at the exciting social activities scheduled, such as our "Mexican Fiesta". Stop by our hospitality booth to obtain mementos of the convention or pose for our photographer. Watch the renown Repertorio Espanol's play "La Botanica" on Friday night. Let your voice be heard at the special General Session on Friday and dance to the rhythms of Puerto Rico, Cuba and the Dominican Republic at Caribbean Night featuring a very popular Salsa band. Whatever you do, we know that you will enjoy this Convention like no other HNBA Convention.

Check-out

Save the memories, photographs and mementos of this Convention but not for long as you will enjoy the excitement again as the HNBA celebrates its 18th annual convention at the beautiful City by the Bay—San Francisco. Make sure that, during our convention, you visit the HNBA 1993 Convention Booth.

SPECIAL FEATURES OF THE HNBA 1992 CONVENTION

This year, the 1992 Convention will offer the following unique and innovative programs:

Spouse/Companion Program

Enjoy the beauty of Historic Cape May or go on a tour of Philadelphia - the City of Brotherly Love, where our country was founded. This program has been specially designed for spouses or companions who wish to enjoy the excitement of Atlantic City, and the New Jersey Shore while their spouses/companions attend the seminars.

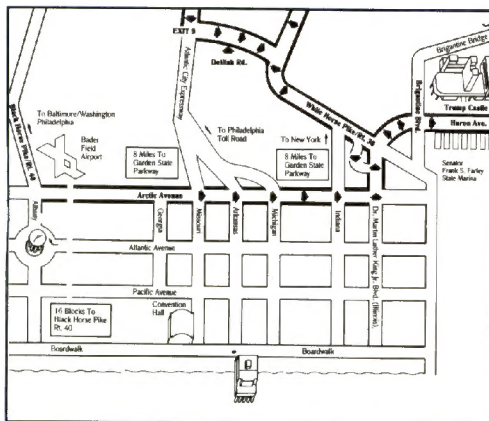

General Session

For the first time in the history of the HNBA, enjoy a sense of unity and togetherness as Convention registrants grouped by region gather in a single room to let their voices be heard on the future of the HNBA and to cheer the accomplishments of the HNBA in twenty years.

High School Student Program

Our future is rooted in our youth. It is critical that, at a young age, Hispanics develop an interest in the law so that our bar can continue growing and prospering. Two steps are important: participation and role-models.

The HNBA has combined both in a unique high school student program to be held on Friday, September 25. Approximately 60 Hispanic high school students from low-income areas have been selected to participate in a series of workshops and lectures that focus on our legal system and the role of attorneys in our society. Among other things, the students will be attending the HNBA Convention Luncheon on Friday. The HNBA hopes that this experience will encourage many of these students to attend college and law school and see and talk to the excellent role models that are members of our bar association.
